Great, but it takes a while to start games. It is a nice game, but I wish it weren't free / Although, the graphics are pretty decent. The soundtrack is also decent, and helps to set the mood. Still a good game, but I wish it were a little less free. Plus, both the main menu and the hard-to-find options menu are shown as 1 and 2, respectively. Fixing that would be an easy fix. Took 3 pages to click through a thread to find a "how-to" video for installing the game. If I have a PS3 and/or a real copy of Conflict: Desert Storm in the game's packaging that I can't 18, 2014 This post was deleted. Some information on Conflict: Desert Storm.
