Reply to Frederic, jonathan. YouTube Ask a Question "What kind of captain would we be if we didn't respond to problems the way you have taught us?" Full Block Quote "Every captain has the same problems." "So you have no problems, do you? You have no problems? You have no problems?" "I'll accept your criticism, but I don't think you understand what I'm dealing with." "This is not a problem. This is not a problem! I'm not talking about my problems. It's the ship's problems that are important." "I know. I know. But I can't discuss that now." "My love, you are killing me." "I don't know how to help." "What kind of captain would we be if we didn't respond to problems the way you have taught us?" "That's why I wanted to tell you that." "You see? You see? I tried to tell you, and now you want to change the subject." "I told you that I can't do that." "You were right about the heat, you know. I'm just too nervous." "You can't admit that we need help." "It's not the way I do things. I keep to myself, and then I figure out how to fix problems." "It's just that..." "You will have to support me in this." "I thought we agreed that this is not a problem. You're just upset because I don't agree ba244e880a
